

# BUSINESS OF THE MONTH

*Recognising quality businesses in and around Warminster*

## **FBS FLUES LTD** **FLUE & CHIMNEY ENGINEERS**

With winter behind us, now is a great time to start thinking about your home heating solution for next winter. Fed up with your soaring gas & electricity bills? Why not consider heating your home with a wood burning stove.

Last year saw the launch of some exciting new products in the stove industry from the renowned Contura stoves with their beautiful and wide range of contemporary pieces and a new stove from the much acclaimed Charnwood stoves.

We now also stock a wide range of Fire surrounds, shelves and bespoke beams for all your fireplace needs.

There is nothing quite like coming home to a real fire.

*"Many of our customers say that their new fire adds a real warmth and feeling of cosiness to their home"*

Today you can experience the joy of a real fire in your home, but without the low efficiencies and mess associated with traditional open fires.

**All things are possible at FBS Flues Ltd, there's no such thing as chimney problems ... only solutions!**

Why not book in for a professional free no obligation survey today.

With showrooms in Wiltshire and Dorset, FBS Flues offer a full wood burning and multi fuel stove range, installation and building services.

We specialise in high efficiency, clean burning stoves that are beautifully designed-and will only be an asset to your home, whether it is a modern apartment or a cottage.

**FBS Flues** now have a new access platform, that is available for hire with operator at an hourly rate.

This could be used for the fitting of bird guards, general building maintenance, gutter clearing, fascia painting e.t.c, which is a much cheaper alternative to scaffolding.

### **PROFESSIONAL INSTALLATION**

We have friendly and dedicated fitting teams who will co-ordinate the installation to fit around your schedule.

We also have our own in house building team and are able to design and construct feature fireplaces to suit your needs.

Our fitting teams are trained to a high standard. They understand and respect working within a customer's home.

For more information on our installation service contact us on 01985 218596 or 01747 839923
